SAMARITAN AVIATION

CHURCH KIT

WHO WILL SERVE ON OUR FIELD TEAM? YOUR CHURCH CAN HELP.

THE NEED

FOR 80% OF PEOPLE IN PAPUA NEW GUINEA, MEDICAL CARE IS OUT OF REACH.

Our seaplanes can be the difference between life and death.

Samaritan Aviation has flown in Papua New Guinea since 2010 and makes 400+ flights a year to river villages across the Sepik and Gulf. Every flight is free to the patient, and every patient hears the gospel and receives an audio Bible in their own language. Every flight also depends on a field team, and ours needs people.

> Long-term service is a two-year, renewable commitment, including a required six-month return home. Short-term roles follow a lighter process: an application, an interview and a background check. Every role is a ministry role and asks for a call to serve Christ across cultures.

WHERE CHURCHES CAN HELP MOST

☑ FINANCE & HR MANAGER

HR and finance for our national team, alongside our Country Director. For someone with HR, bookkeeping or office experience who is organized, accurate and discreet. Serve long-term, or for one year.

☑ PROJECT MANAGER / BASE MANAGER

Lead the build-out in Wewak and Kapuna, and keep our bases, hangars, vehicles, utilities and water running. For a leader with trade breadth who can track a budget and work a permit. Serve long-term, or for a shorter term, including three months.

☑ SHORT-TERM TEAMS

Three weeks. Maintenance teams of two or three work in our Wewak hangar; construction teams of about five build in Wewak or Kapuna.

☑ REFERRALS FOR EVERY ROLE

Line Pilots (no minimum hours), Line Mechanics, a Director of Maintenance, a Country Director, a Medical Coordinator, and aviation students for our four-week internship.

FOUR WAYS YOUR CHURCH CAN HELP

1. ANNOUNCE OUR OPENINGS.
2. REFER SOMEONE WHO FITS.
3. SEND A TEAM.
4. SEND ONE OF YOUR OWN AND BECOME THEIR SENDING CHURCH.
